

Financial Aid - Book Advance

SE and Higher One have partnered to streamline the way financial aid is distributed to students. Students have THREE choices to receive their distribution: **1)** direct deposit to a Higher One Debit Card account; **2)** direct deposit to the student's checking/savings account or **3)** a paper check mailed to the student's address on file. Students need to go on-line at www.SEDebitCard.com to make their selection for the summer 2009 semester distribution.

NEW: Beginning with the summer 2009 semester, students who have a completed their financial aid file and are eligible to have \$500 withheld from their financial aid will receive a \$500 distribution prior to the beginning of classes. This is the new method of purchasing books and supplies at the Campus Bookstore (Barnes & Noble) using SE financial aid. The \$500 will be withheld from the student's financial aid at the time financial aid is disbursed.
