#### Programs Typically Leading to Certification

\* Students who complete the Educational Leadership or School Counseling program will be eligible to take the Oklahoma certification test. Many states allow students to obtain Oklahoma certification and then transfer the Oklahoma license to their state. Oklahoma certification requires a passing score on the Oklahoma Subject Area Test (OSAT) in School Counseling, Principalship, and Superintendent. The OSAT is offered nationwide at any Pearson Vue Testing Center. The information below is our best attempt to understand your state's certification. ***Students are strongly encouraged to verify that our program meets your certification goals within your state licensure requirements.*** For further assistance, please contact Certification Officer Jennifer Arnold ([jarnold@se.edu](mailto:jarnold@se.edu)), School Counseling Coordinator Dr. Kathy McDonald ([kmcdonald@se.edu](mailto:kmcdonald@se.edu)), or Educational Leadership Coordinator Dr. Jerry Stout ([jstout@se.edu](mailto:jstout@se.edu)).

School Counseling – Alabama requires that their students who obtain a degree outside of their state to be from a CACREP program. **Southeastern is not CACREP accredited.** If your goal is to be a certified school counselor in Alabama, please check with the [Alabama State Department of Education](#) before enrolling in the SE school counseling program. You can access information about Alabama's out-of-state reciprocity agreement [here](#).

Principal and Superintendent – If your goal is to be a certified administrator in Alabama, please check with the [Alabama State Department of Education](#) before enrolling in the SE Educational Leadership program.
